Fall 2016 Life Group Attendance Tracker

We keep track of who is coming so we can have an accurate assessment of WHO is actually connected in the Disciples family in some sort of group. We truly believe every number has a name, every name has a story and every story matters to God.

Please take a moment each week to simply check who is there and who is missing and then email the update to michelle@discipleschurch.net each night right after your Life Group concludes. Don't wait until the morning to do this or you will forget.
